

The 8th Annual Family Friendly and Diversity Conference and Awards Banquet will be held on October 4th, 2007. At this time, we are extending the opportunity for event sponsorship to businesses in the tri-state. Through your sponsorship, you help recognize Tri-State companies that are leaders in workplace diversity and family-friendly practices and allow us to provide nationally recognized speakers for our conference. This event has been nationally recognized the last two years with the Society of Human Resource Management.
